## Family Friendly Meal : Pot Pie Factory! Frozen Pie Pickup

Olympic Hills – Thursday, Aug 17, 4pm - 6pm

### What I'm Making

Pot Pies Any Time!

Stock up on delicious, pre-baked and fast frozen pies to enjoy whenever you crave them. Nothing beats a hot and delicious pot pie with more filling options than you can shake a stick at! A lot of thought has gone into each offering...plus the pie crust is made from scratch with butter and even fresh herbs. Most women find these beautiful pies are all you need for a complete meal since each pie weighs in at over 10oz. If you're a large gentleman you may want to enjoy more than one for dinner.

Need a special order or pies for a lunch meeting? Msg me for options :)
